

Steel Belt Systems

## Extrusion & Powder Coating Division

### Engineering & Production of Complete Lines Process & Technology New Investment Package Support

*OUR STRATEGY IS:*

*Support newcomers into the production of Powder Coating*

**SBS has developed a strategy based on the following guidelines:**

- > Major equipment for complete production lines;
- > Engineering of production sites;
- > Process and technology support;
- > Training and toll manufacturing as a support to new and existing customers;
- > Recycling technology;
- > Pilot production factory, with fully equipped laboratory, to implement our strategy.
